Ingredients  
Black Currant,  
Grapes

Production  
64 Cases

Bottle Shape  
Burgundy

Closure/Color  
Black, Stelvin

Serving Temp  
8°C

**Demographic Indicator:** Vancouver Island

**Varietals:** Black Currants 90lbs, Epicure 280L

**Pruning VSP (Vertical Shoot Position):** Cane, Double

**Soil:** Saanich, Vancouver Island

**Farming:** Sustainable

**Weather:** 2021 saw the hottest days of history in Comox hitting 38°C on June 27th, but over 40°C in the vineyard with many other sweltering days from June through August. The average sunlight was between 14 and 16 hours during the growing period with an average monthly precipitation of 3.6cm.

**Cellar Notes:** Added 90lbs frozen black currants to fermented Epicure in stainless steel. Punched down and allowed to mature together. Racked off cassis must and fortified with alcohol and sucrose.

**Tasting Notes:** An intense nose of black currant followed by a subtly sweet and bold palate of black currant, plum and black cherry and earth.
