

2021 FALLEN APPLE

Delicious by Nature

At 40 Knots, our wines are Delicious by Nature. This guides us in every step we take in farming, cellar management, crush pad operations, our service to the customer, and our promise to sustainability: Environmentally; Socially; Economically.

12°C

Demographic Indicator: Estate, Vancouver Island

Varietals: Honey Crisp, King, Pink Pearl, Liberty, Belle de Boskoop, Pomme Gris

Harvest Date: October 15, 2021, 15 Brix.

Pruning VSP (Vertical Shoot Position):

Soil: 40 Knots Salish Sea: Glacier deposit, sandy gravelly marine over sandy gravelly morainal leading to Schist clay at 12-16' depths. Elevation sloping from 31m to 11m above sea level

Farming: 40 Knots Salish Sea: Glacier deposit, sandy gravelly marine over sandy gravelly morainal leading to Schist clay at 12-16' depths. Elevation sloping from 31m to 11m above sea level

Weather: 2021 saw the hottest days of history in Comox hitting 38°C on June 27th, but over 40°C in the vineyard with many other sweltering days from June through August. The average sunlight was between 14 and 16 hours during the growing period with an average monthly precipitation of 3.6cm.

Cellar Notes:

Tasting Notes: A nose of raisin, stewed fruit and apple pie pastry on the nose and following through on the palate.
